Principal’s Message:
What a great start to the school year! Parents, it is time to get back in gear. Please be our partners in your child’s education by checking on your child’s homework every night, encouraging him or her to read to you daily, and insisting on good manners at home and school. Your children have unlimited potential, we know that. Let’s work together to make them their best!

Back To School Night: will begin on Wednesday, August 29th from 6:30 pm to 8:00 pm in the MP Room. This is a great opportunity to see your child’s class, meet his/her teacher, and learn about the expectations for this year. We are looking forward to meeting you. Friday, August 31st is a minimum day with a 12:30 dismissal.

Make Attendance A Priority:
Reminder: Unless your children are truly sick, they must be at school. Try to schedule routine appointments after school hours. If possible, please schedule family trips during school breaks. If you plan to be out more than 5 days, please inform the office at least 1 week ahead of time so your child can do shorts term independent study and the teacher has time to prepare work for the student.

Late Items: Please remember that late items such as homework, lunches and band instruments will be left in the office until your student picks them up. Please prepare your child the night before school and let them know who is picking them up so the classroom is not interrupted.

School Crosswalks for Everyone’s Safety
Don’t know much about school crosswalks and the guards that work them? Here are some quick tips on how guards work at keeping everyone safe.

1. The guard will blow their whistle one time to let you know the guard is stepping out- only the guard at this time.
2. The guard will blow their whistle two times so that the adults and students can now walk. Please wait for these two whistles, as automobiles do not always stop.
3. Once everyone has reached the curb safely, the guard will now depart the crosswalk.

These simple steps will help keep everyone safe when using the school crosswalks.
