Dear Parents and Students,

This is a combined school performance by students from ACE, Alamo, Browns Valley, Hemlock, Markham and Orchard Elementary schools.

*This is a required event.*

**ARRIVAL TIME:** 6:30 backstage for tuning and warm up

*Students are to enter through the backstage entrance only.*

Students perform at 7:00pm. The orchestra also performs at the end of the concert in a combined elementary, middle and high school performance of the 1812 Overture!

**WEDNESDAY ORCHESTRA** is very important for the success of this concert! If your student can attend any or all of the next Wednesday classes it will make his/her experience in the concert very much more enjoyable. Classes are from 2:50-3:30 at Jepson Middle School. February 13 will be the last day for Wednesday Orchestra for the year. Regular music classes will continue through June.
