VUSD Family-School Survey #1

We hope you will complete the following survey to help provide our district with a picture of your thoughts and ideas about our schools. Your responses will help us make plans for the 2018-2019 school year.

Please answer the questions as they relate to your student(s). Please complete one survey for each school your children attend.

A second survey (based partially on the results of this first survey) will be coming in about one month to further help us plan and refine goals for our students. We appreciate your input!
